Executive Director

NOTE FOR: Bob Gates

FROM: EA/ExDir

This arrived in our office this afternoon. John McMahon's comments were due yesterday. This happens often.

We would appreciate anything you could do to get DDI recommendations on NFIB papers to John enough ahead of time so they can be incorporated in his response. We should generally aim for noon of the day before the deadline. When papers are to be discussed at a Tuesday NFIB meeting, we should have DDI comments on them by noon the preceding Friday. I'll do everything I can to get the papers to your people as soon as possible.

Thanks,

Director of European Analysis *man*

FROM:
Acting DDI Representative, SNIE 12.6-82

25X1

SUBJECT: Final Report on SNIE 12.6-82

25X1

On 15 March 1982, representatives of the NFIB agencies completed their detailed review of a revised draft of the Special National Intelligence Estimate 12.6-82, Poland's Prospects Over the Next 12-18 Months. The discussions revealed no basic disagreements among the agencies and I recommend that the SNIE be approved.
